

**Reminder - Schedule Exemption Revision Fall 2010** – Previously, all students could request a 1/2 or 19/20 class exemption for childcare, transportation, work, and other reasons. **Beginning Fall of 2010, only students with 6 classes can apply for exemptions and only the following exemptions will be accepted:**

- Sports – students whose names have been submitted to Mr. Rob Ray, Athletic Director, by their coaches.
- Medical reasons— students whose doctor or physical therapist, etc. has submitted (on official letterhead) the name of the patient who has a **weekly** medical appointment which cannot be scheduled 4:00 pm or later.
- Work—**only CVE, MYEEP, YOUTHWORKS, or other positions in a school or government program** will be accepted. Employer submitted a note (using official letterhead) giving the start time of student's employment.

Students were made aware of these changes when they filed their course requests in March and exemptions forms were due the end of March. Families have the next few months to work out schedule conflicts.
